FOR IMMEDIATE RELEASE

NORTH CYPRESS SLEEP CENTER WILL HELP YOU ACHIEVE A GOOD NIGHT'S SLEEP

Cypress, TX, 2/13/12- North Cypress Sleep Center is here to help you achieve a good night's sleep. Accredited by the American Academy of Sleep Medicine, North Cypress features six private bedrooms with state-of-the-art diagnostic and monitoring equipment. Education and treatment is the key to conquering your sleep disorder. Following your study, Board Certified Sleep Specialists at North Cypress will recommend the best treatment plan for you.

North Cypress Sleep Center is hosting a free CPAP Clinic on Thursday, April 26th from 1:00pm-6:00pm by appointment. The free clinic will provide an opportunity for those using a CPAP/BiPAP device to receive individualized education and advice. Attendees should bring their CPAP/BiPAP equipment with them to take advantage of complimentary services including machine cleaning, machine calibration and patient assessment by a trained sleep technologist.

CPAP/BiPAP providers will be on hand to answer questions about proper usage and mask fit. New and replacement supplies will be available for attendees to purchase. Light hors d'oeuvres and refreshments will be served during the event.

North Cypress Sleep Center is located in Professional Building I of the North Cypress Medical Center at Huffmeister and Highway 290. For more information about the North Cypress Sleep Center or to register for this free clinic call 832-912-3700.

North Cypress Medical Center is a 175-bed physician owned acute care hospital located in Cypress (northwest Houston area), Texas. The hospital offers patients state-of-the-art medical care and technology in an upscale, five-star hotel-like atmosphere.
