NORTH CYPRESS MEDICAL CENTER OPENS SECOND EMERGENCY ROOM ON TOMBALL PARKWAY

Cypress, 4/28/10 – North Cypress Medical Center has recently opened a second Emergency Room location to serve the Willowbrook corridor on Highway 249, just south of the Spring Cypress exit.

The North Cypress Emergency Room - Willowbrook Campus provides the same sophisticated level of care as the main campus featuring experienced doctors and nurses, and state-of-the-art technology in a convenient, new upscale location. In addition to 24-hour emergency care, the North Cypress Emergency Room - Willowbrook Campus also offers outpatient lab and radiology services including CT and Ultrasound, Monday – Friday, 7am – 7pm.

“We have taken great care to ensure that our new Emergency Room location provides the same quality care and patient-centered philosophy offered by our main campus to our neighbors in the Willowbrook Area. If needed, we have access to more than 200 North Cypress Specialists to care for a full spectrum of adult and pediatric illnesses,” said Dr. Mounang Desai, Co-Director of the North Cypress Emergency Medicine Department.

The North Cypress Emergency Room, Willowbrook Campus is located at 22475 Tomball Parkway. For more information, please call 281-320-8500 or visit www.ncmc-hospital.com.

North Cypress Medical Center is a 139-bed General Acute Care Hospital located in Cypress (northwest Houston area), Texas. The hospital offers patients state-of-the-art medical care and technology in an upscale, five-star hotel-like atmosphere. Medical services include Cardiology, Critical Care, Emergency Care, General Surgery, Orthopedics including a Total Joint and Spine Center, Cancer care including Chemotherapy and Radiation Oncology, Pediatrics, Neurology, Sports Medicine and Surgical Weight Loss.
