**FOR IMMEDIATE RELEASE**

## **NEW MEDICAL WEIGHT MANAGEMENT PROGRAM OFFERED AT NORTH CYPRESS**

**Cypress, TX, 1/14/11-** The North Cypress Weight Loss Center is now offering an all inclusive comprehensive program to help you achieve your weight loss goals- the North Cypress Medical Weight Management Program.

This supportive program begins with an initial visit and assessment from a North Cypress Registered Dietitian. Weight loss goals, medical assistance, supportive services and routine weight loss strategies are established during this primary visit. One-on-one monthly nutritional therapy sessions with a dietitian, along with monthly support groups are provided.

Also included as part of the program are initial physician visit with lab work and five follow-up physician visits. Additional supplements or weight loss prescription medications may be recommended by the physician during your visits. A discounted rate for fitness memberships and physical training is also offered to members of our program for more convenient, cost-effective physical activity. We also have a licensed therapist available for those who are in need of counseling. Our goal is to help you meet yours.
